THE POWER OF FAITH

"The wind and waves beat against the disciples' boat and they re nearly drowned. It is a good symbol for so many personal situations that we have to face from time to time in our own lives."

1. THE CHURCH IN THE STORM

- Boat represents Church.
- Facing contrary winds.
- Sustained by His Word.
- Doubts from lack of love.
- "It is not about understanding God; it is about loving Him."

2. MOTOR OF OUR LIFE

- Faith drives reality.
- Fear is greatest error.
- Gives us a holding hand.
- Shows mountain's meaning.
- "Faith does not make the climb any easier — it just shows the meaning of the mountain."

3. PRESENT IN STORMS

- Jesus walks with us.
- Present in daily life.
- Nothing left to fear.
- Faith does not make the climb any easier — it just shows the meaning of the mountain."

"Lord, save me!"
